INITIAL QUESTIONNAIRE FOR FACTORY ASSESSMENT

(Annex to Application BAFRA-CS-PR7.2-01-FM-01)

- This questionnaire should be completed and returned together with the application. It is intended to provide preliminary information relevant to the applicant and his capability to control the quality and continuous conformance of his product to the requirements of the relevant standard.
- This document will be used by inspector/auditor of BAFRA-CS (Certification body) during preliminary visit to the factory as part of the initial inspection.
- Supplements may be included when it is necessary to expand any statement. A separate document should be completed for each factory involved, or variation between factories clearly indicated.
- The statements should relate to the facilities available at the date of completion of this form.
- The information given in this document will be treated in the strictest confidence.
- Please answer every question. A response 'Yes' or 'No' is accepted for most of the sections. Negative responses do not disqualify the client's application. If the question is not applicable, mark N/A.
- Whenever supplements are attached, mark in the appropriate circle and write the attachment number in the square box as shown in the example below.
